An aerial photograph of a large pond filled with green weeds. A red line with arrows indicates the haul route for weed bins. The route starts at a point on the left side of the pond, moves diagonally down and to the right, then turns right and moves diagonally down and to the left, ending at a point on the right side of the pond. Several blue circles are placed along the route, likely representing individual haul points or bins. The background shows a grassy area with some trees and a building.
